Everybody's Food

Bread is the food we find on every

table—rich and poor alike. Pity the

man who eats little bread. He tickles

his palate at the expense of stamina

and muscular strength. His resist-

ance to disease is weakened by the

rich foods he eats. We sometimes

hear the expression, "The sick rich

man cannot get well." He pays the

price of rich foods and too little

simplest, includes bread. What's so

appetizing for the dainty luncheon as

those wedges of sandwiches? What

else can take the place of bread in the
